Time	From	To	Details	Task	Date	Review
			- article 6 - not needed to confirm	✓	✓	
	SB		- like the controlled zone / interdiction zone (more the better) feel safe community			
	CA		- When comm. will go out for interdiction zone?			
	CP		- Working on it now (Marcel & Gisèle) PLT			
	CA		- Who is will be doing the briefing? (for troops)			
	OPR		- Planners are working on it. Will get the same briefing - it was a gap, closing it.			
	RB		14 POW units 400 more from PPP (600) + RCMP			
	IC		- CAC request has been made - Liaison from CAC embedded for logistic & support - prefer not to mention in media			
0827	DS		I meet will be giving to all officers on the ground. Will know the intent & auth.			
	IC		Pivot we made yesterday for integration & cic level helped a lot and getting ready for the operations			
			- plan is scalable			
	RB		PLT → started yesterday with change of tone & increase as we get closer

Time	From	To	Details	Task	Date	Ref
0832			- Have to be careful to what info is being shared → concerns (within OPS org.) - Right info needs to be shared			
	IC		Every Senior Management even politicians have to deliver the same messaging			
	CP		will provide document to Gold Command today ↳ communication plan			
	FC		Need to emphasise on joint united command - no disconnect - every agencies doing the same thing, same messaging			
	CP		Actions: hand-on, gas → need matrix (decision mat - delegation auth.)			
	MP		Rubber bullets & gas ↳ can't be use on the hill			
	CP		Authorities built in is IC matrix			
	IC		→ CIC are there to manage situation and take actions use of force decision			
	MP		→ not oppose to a matrix but want to avoid delay authority should remain with IC			
0845	DS		→ message will be clear, strong they have to leave			
	RB		→ NCRCC - ops → ground ops Ops chief link to Rob Bernier

Time	From	To	Details	Task	Date	Review
0849	RB		EMPCA, Emergency act will be include in the briefing - so more trucks will be moved until we execute plan & it's time to leave			
	RB		More arrest sites ↳ planning team is looking at it (2) ↳ Been told we are good - will reconfirm			
			- Follow up changes: Invest. side involved			
			- Also looking at the financial aspect → go fund me			
	CP		Build in surge capacity Overwatch will be provided Building teams & looking at numbers for resources coming in			
	RB		Biggest concern - happening at a fast pace - want to avoid a breakout - Need to be ready to adapt: - be patient, understanding & smart.			
	DS CP		Build a planning cycle Analyst is coming in for sit-rep.			
0903			End of meeting
